SOCCER GOAL SAFETY

SOCCER GOAL SAFETY is one of SUPER LIGA's top priorities for all Super Liga games and training sessions. All associations, coaches, referees and parents should take the utmost attention in monitoring that all Soccer Goals are properly anchored prior to, during and after, every training session and game, which would prevent them from collapsing onto a player(s).

Everyone should take responsibility, especially the home team, to assure that all soccer goals are anchored. If a referee, coach, parent or an association official discover that a soccer goal is not properly anchored, the home team must take immediate action and anchor the goal properly.

NO SUPER LIGA GAME WILL BE PLAYED IF A SOCCER GOAL IS NOT PROPERLY ANCHORED.

Any association violating this safety rule will be subject to disciplinary measures. We look to all of you for your cooperation and support in assuring a safe place for our children to play the game of soccer.

COACHES PRINCIPLES OF CONDUCT

RIYSL expects all its coaches during all RIYSL games or events to conduct themselves in a sportsmanlike and professional manner. RIYSL wants to ensure that all its participants have a positive and enjoyable experience. A soccer game should be a fair, friendly, competitive and most of all an enjoyable match that involves the cooperation and support of all coaches, referees, players and parents.

RIYSL has established the following policy that it asks all its coaches to adhere to.....

SAFETY

- My first responsibility is for the health and safety of all players.
- Know and understand the Laws of the Game and RIYSL rules and policies.
- Inspect all players' equipment and field for the safety of all.
- Supervise and control your players to avoid injuries.
- Implement proper training methods to avoid any player injuries.

PLAYER DEVELOPMENT

- Develop the player's appreciation for the game.
- Keep winning and losing in proper perspective.
- Be sensitive to each player's development needs.
- Educate all players on all aspects of the game and its demands.
- Players need to have fun.
- Allow them to be creative, make decisions and give feedback.
- Training should be conducted in the spirit of enjoyment and learning.

ETHICS

- Strive to maintain the integrity within our sport.
- Work in the spirit of cooperation with officials, administrators, coaches and spectators to provide the maximum opportunity for development and enjoyment.
- Be a positive role model.
- Set the standard for sportsmanship.
- The result of the games should not be the focal point of the game and the result differential should not be allowed to exceed more than eight goals.
- Explain to players and parents what acceptable behavior is tolerated during training and the games.
- Coaches are responsible for the behavior of their players, parents, supporters and themselves. When situations of unacceptable behavior occur, the coach must immediately address the problem.
- Encourage all to cheer for all players on the field and not yell and criticize them.
- Refrain from addressing any referee during the game. If a coach has an issue with a game or referee, they need to inform their association about it and not hold court on the field at anytime.

- The player cannot return to play in RIYSL until a doctor authorizes that the player is able to play again.
- The doctor's authorization memo must be sent to the RIYSL office.
- Upon receiving the doctor's authorization memo , RIYSL will inform the coach of the team and the referee of their next game, that the player can play.
- It is the coach's responsibility to monitor the health and safety of his/her players at all times. The referee at times may be obstructed and not have vision of an incident. RIYSL Coordinators

A coordinator must be appointed by each association/club. This person will be the primary point of contact for all matters related to RIYSL. The coordinator is responsible for all teams' coaches, players, rosters, registration fees and bond monies, for their association/club. The coordinator will communicate and resolve any issues with RIYSL. RIYSL may assign other responsibilities to the coordinator as it deems appropriate.

Home Team Responsibilities

Every RIYSL team must be assigned a certified coach. A coach must meet the requirements set forth by RIYSL and Soccer Rhode Island.

The following are RIYSL's responsibilities of a coach:

- 1.) Assure that he/she personally and his/her players conduct themselves in a manner respectful of other players, coaches, referees, league officials, parents and the facilities. The coach is responsible: to provide a fun-fill environment, for the conduct of the players, to instill in his/her players a love for the game of soccer and a desire to compete fairly in a sports-manlike manner.
- 2.) Enforce a no illegal drug and no alcohol policy. Any players or coaches found to be using, or in possession of illegal drugs or alcohol at any RIYSL game will result in an immediate suspension from all remaining RIYSL league games and fines will be imposed by RIYSL.

In case of a forfeiture, no fees will be paid at the game. Referees and Assistant Referees will be paid by RIYSL. The fees for a forfeited game will be deducted from the bond of the association team that forfeited the game.
- 4.) Make sure that the proper paperwork is complete and provided to the referee before the start of the game. The submission of any improper paperwork other than the official paperwork approved by RIYSL, will result in a fine and any other penalties that RIYSL deems appropriate.

Points of strategy and positioning are permissible, but no mechanical devices may be used that may cause interference with game. Coaching instructions should be kept to a minimum, and are not expected to become a running litany. A maximum of three coaches are allowed to be in the technical area.
- 7.) Assure that all players and coaches are properly registered and rostered, and have an approved pass. Coaches playing any unregistered player(s) will be banned from coaching any team in RIYSL for one year. Coaches playing a club pass player inappropriately, will serve a one game suspension.

- 10.) It is the responsibility of all coaches to know all the rules and policies of RIYSL and Soccer Rhode Island.

Postponements

Postponements will be handled in the following:

- > Game cancellations or postponements will be announced by 6:00am on Saturday morning, by 10:00am on Sunday morning or 2 hours prior to game time, RIYSL website, by RAINEDOUT text service, and time permitting, via email.
- > No game will be postponed without the consent of RIYSL. Failure to obtain permission will result in a loss for both teams, plus fines and referee fees. Referee Assignors will make no changes or postponements unless told so directly by RIYSL.
- > All coordinators must monitor their email, RIYSL Website, and the RAINEDOUT text service, throughout the day for any postponements that may occur, especially during inclement weather.
- > If a game is cancelled on the field by the referee prior to it starting, the referee fees are to be returned to the coaches. If the referee cancels the game during the second half, the referees are entitled to full pay.
- > A game is official if at least half of the game is played. The final score will be the score at the time the game was stopped.

POLICIES & PROCEDURES

Game Day Roster and Game Report

Each team must submit 2 copies of its approved state game day roster with all the players' jersey numbers listed on it, to the referee prior to game time. The home team is responsible to provide the referee game report, completed fully and given to the referee prior to the start of the game. Each team will receive a copy of its opponent's approved state game day roster. A fine will be assessed for failure to provide the referee with the proper paperwork and may also result in penalties against the team. Both coaches must sign the Game Report after the game stating that they reviewed the report.

Forfeits

- U8:** There will be no forfeits in this division. All accommodations will be made by the coaches to assure a game is played and a report must be sent to the RISYL office.
- U9-10:** Teams not able to field a minimum of 4 players, 15 minutes after the official start of the game time, will forfeit the game and be assessed fines.
- U11-U19:** Teams not able to field a minimum of 5 players(U12) or 7 players (U14 and up) 15 minutes after the official start of the game time will forfeit the game. The game report submitted by the referee will reflect the forfeit and RIYSL will record a 4-0 final score.

>The referee will start the game as soon as the minimum number of players become available within the 15 minute grace period. Players are considered available if sitting in, on or near the field or sitting in cars.

>In the event of a forfeit, fines will be assessed to the forfeiting team. The referees are not to be paid at the field. RIYSL will pay the referees for the forfeit from the association bond monies.

If both teams do not show for a game or both do not have enough players to play the game, both teams will incur a loss and be liable for referee's fees and fines. If an association/club coach has already given their share of the referee payment, the fees should be returned to the coach(es) as soon as the forfeit has been declared by the referee.

Protests

Protests in all divisions will be handled in the following manner:

-The coach must sign the game report and state their intent to protest the game before leaving the field. Failure to do so will nullify any protest.

-A written letter of protest containing all pertinent information must be submitted to the RIYSL office within 5 working days, accompanied by a check of \$100. The fee will be returned if the protest is upheld, or retained by RIYSL if the protest is denied.
