The Super Liga's philosophy is to provide a fun filled and safe environment to create the "Youth Soccer Experience".

We encourage coaches, players, referees, and spectators to respect each other and the game by creating a positive and enthusiastic environment. Poor sportsmanship will not be tolerated.

Let's make this a true Youth Soccer Experience for all.

PLAY FAIR !! PLAY WELL !!

REFEREEING IS A JOB

Being a referee comes with responsibilities

- As a referee, you are being paid and providing a professional service to the teams and the Super Liga League.
- You are expected to provide that service in a competent manner.

Laws Of The Game: Know the Laws of the Game and league modified rules. You should know all the rules of the game better than anyone else at the field.

Be Prepared: Have at least the minimum equipment; a whistle, a watch, red and yellow cards, referee's uniform, and something to write with and on.

Time Management: Allow yourself enough time to check the field, check in teams and communicate with your referee team.

Respect: Be friendly, with both teams. Don't be partial to one team as it can give the impression of favoritism.

Remain Calm: When you caution or eject, do not lose your temper,. Do not deliberately embarrass the player. Be polite but firm.

Pay Attention: You are there to watch all aspects of the field and game. Ignore criticism and adverse comments from the sidelines, unless they are threatening and/or not appropriate.

Teamwork: Referees control the entire game while the coaches are responsible for the behaviors of their spectators and players. If you have an unruly spectator, ask the coaches to address it. DO NOT address spectators directly.
