SafeSoccer Goals

SOCCER GOAL SAFETY is one of **SUPER LIGA**'s top priorities for all games, training sessions and events.

All associations/clubs, coaches, referees and parents should take the utmost attention in monitoring that all soccer goals are properly anchored prior to, during and after, every training session and game, which will prevent them from collapsing onto any player.

Everyone should take responsibility, especially the home team, to assure that all soccer goals are anchored properly.

If a referee, coach, parent or an association official discover that a soccer goal is not properly anchored, the home team must take immediate action and anchor the goal properly.

NO SUPER LIGA GAME WILL BE PLAYED IF A SOCCER GOAL IS NOT PROPERLY ANCHORED.

Any association violating this safety rule will be subject to disciplinary actions.

We look to all of you for your cooperation and support in assuring a safe place for our children to play the game of soccer.
